"This is a work that demands to be read and reread, studied and examined, and thoroughly digested. It is perfect for sparking adult and child conversations about our place in the universe. A remarkable achievement."

★ — *Kirkus Reviews* (STARRED REVIEW)

"This lyrical book effortlessly connects kids to their timeless origins and the natural world, while teaching them science as well."

— *The Los Angeles Times*

"In *You Are Stardust*, Elin Kelsey works magic... [and] Soyeon Kim's playful illustrations will allow children's imaginations to run wild, even as they will hang on the book's every word. Bravo!"

— *The Washington Post*

"An exquisite picture book that instills that profound sense of connection with the natural world. Underpinning the narrative is a bold sense of optimism... Refreshing."

— *Brain Pickings*

"Transcends typical illustration and leaves room for children and adults alike to ponder the wonderful facts it presents."

— *Scientific American*

"[A] joyful ceremony of the cycle of life."

— *Shelf Awareness*

"Readers learn interesting facts about themselves and are urged to make parallels to the planet at large... Provides much to consider and absorb."

— *School Library Journal*

"An exceptional collaboration."

— *ForeWord Reviews*

"Don't miss this one, which begs to be shared intimately with children."
