

Picture Twister!

You'll need:

- scissors
- tape
- pencil

What to do:

- 1 Cut out the picture of the dragon and the flame along the dotted lines.
- 2 Fold along the solid line. Tape the pencil to the inside of the picture, then close it up with tape.
- 3 Twist the pencil back and forth between your hands. What do you see?

Ooze's challenge:

Make another picture twister with your own two drawings.
