

Chirp's Fun Fan

Cool down with a paper fan!
Instructions on reverse.

You'll need:

- Large craft stick
- Tape
- Scissors

- 1 Cut along the dotted lines to remove the fan from the magazine.
 - 2 Tape the fan to the craft stick to make a handle.
 - 3 Wave it up and down to create a cool breeze!
- TIP:** Cover the fan with clear tape or glue it to a piece of thin cardboard to make it even stronger.
